WYOMING STATE CRIME LABORATORY
BLOOD ALCOHOL ANALYSIS

Dear All Chiefs, Sheriffs, Prosecutors, and Coroners-

We are pleased to announce that the Wyoming State Crime Laboratory (WSCL) Toxicology Unit has been certified to begin conducting **BLOOD ALCOHOL ANALYSIS**. Effective immediately, the WSCL will be accepting blood alcohol kits for analysis. The WSCL will also accept other specimens such as urine or vitreous from the coroners for blood alcohol analysis.

If you previously purchased blood alcohol collection kits from the Chemical Testing Program, those will be accepted by the WSCL for analysis. If you need collection kits for blood alcohol, please contact the WSCL at email address dcj.tox@wyo.gov. Please provide a point of contact and a mailing address along with the number of collection kits you are requesting. **When ordering, just remember that these collection kits have a shelf life of one year.** When you need additional kits, simply request the collection kits from the email site.

The WSCL Toxicology Unit anticipates expanding our services to include **blood drug analysis** in the future. You will be advised when this service becomes available.

Toxicology has been added to the Prelog procedure which will remain consistent as with any other case submission to the WSCL. Coroners should already be listed in our system as submitters but may not have registered for Prelog. The instructions are included below. Please email rodney.simmons@wyo.gov if you have any difficulties with registering.

Thank you for your patience in getting the WSCL Toxicology Unit up and running. If you have any questions or concerns please contact Deputy Director Barbra Roach or I at 307-777-7181.

Sincerely,

Steven R. Woodson
Director

The Prelog Self-Registration Instructions are found on the link:

<https://webprelog.dci.wyo.gov/prelog/>

- 1) The requester will need the Department Code. If you need to request this ID, email rodney.simmons@wyo.gov for further assistance.
- 2) Go to the logon page and create a new USER ID - (**do not enter a password it will be created in the following steps**).
- 3) Press the **Register Button** to request an account.
- 4) Provide all of the requested information.
- 5) You will receive an email when your new account has been activated. This account will be manually activated so allow for one week for the activation. If you don't receive a follow up email regarding your activated account, contact Rodney Simmons at (307) 777-6611 (work), (307) 631-6815 (cell), or email rodney.simmons@wyo.gov.

For Data entry:

Please contact the Evidence Unit if you have questions regarding evidence entry issues at (307) 777-7539 or (307) 777-7808.
