Re: Expiration Date of Needles in Toxicology Blood Collection Kits

This letter is to serve as a notification that some Toxicology Blood Collection Kits that were distributed earlier in the year have an expiration date for the needles that will expire at the end of July 2019.

The vendor stated the needles will be expired but the other components in the blood collection kit does not have an expiration date and can still be used. If a different needle is used for the blood draw, please note this on the Blood/Urine Collection Kit Form.

Below is the information from the vendor regarding the expiring needles:

Component: Needle Multi-Sample 20G x 1-1/2" Yellow

Manufacturer: JELCO

Part No.: 80205

Lot No.: 16H04

Exp. Date: 07-2019

If you have any questions, to contact Sarah Barrett, at (307) 777-5865.

Sincerely,

Barbra M. Roach
Deputy Director
